

About Our Founder

Amornrat Borisut, *Founder & Managing Director, Local Thai Tax & Accounting by Mei Mei Corporation, & Certified Tax Accountant (CPD)*

With over **15 years of professional experience** collaborating with Multinational Corporations and International clients, Amornrat is a highly specialist in Thai Tax Law and strategic financial management.

For the past **7 years**, Amornrat has led **Mei Mei Corporation** with a focus on integrity and digital transformation. Her deep-rooted expertise in navigating the complexities of the Thai Revenue Department has established her as a trusted advisor for expatriates and foreign investors.

Our Core Strength: High-Credit Tax Refunds

At Mei Mei Corporation, we pride ourselves on our "**Clean Filing**" record. Because our firm maintains a high-integrity profile with the Revenue Department, our clients benefit from:

- **Priority Processing:** Our filings are recognized for accuracy, often resulting in faster approval times.
- **Streamlined Audits:** We maintain a professional tax credit that helps expedite the refund process for high-value claims.

- **Proven Success:** We specialize in securing significant personal income tax refunds for international professionals with transparency and efficiency.

Professional Qualifications & Partnerships

- **Certified Tax Accountant (CPD):** Fully licensed and specialized in Thai Tax Law and International Compliance.
- **Global Consulting Partner:** A strategic partner for international accounting and tax advisory firms, providing global-standard insights with local execution.
- **Digital Accounting Expert:** An official partner of leading **Cloud-based Accounting Software**, ensuring real-time transparency and 100% digital accuracy.

"My goal is simple: To ensure your tax affairs are handled with such precision that you receive the maximum refund in the shortest possible time."
